

Kennedy EDA Revolving Loan Fund Application Form

Please attach the following information:

Business History and/or Business Plan

Provide information on the business background of the applicant and/or business that will indicate the ability to complete this project. Include information on the potential of the business to generate an adequate cash flow and to secure markets for the product or service.

Credit History

Describe the current financial condition of the business, including any credit problems.

Financial Statements

Attach current financial statements for your business if an existing operation. Attach income and expense projections for two years for both new and existing operations.

Financial Gap

Indicate why other financing cannot be used for this portion of the project.

Job Plan

List the jobs that will be created or retained as a result of this project, including hours worked per year and pay rate.

Cost Estimates

Attach cost estimates for any construction or equipment purchase.
