Kennedy High School Alumni Association?

The City of Kennedy would like to work with graduates of Kennedy High School in an effort to form a Kennedy High School Alumni Association (KHSAA). The suggested mission of KHSAA would be the active and formal preservation of Kennedy High School history and memorabilia (uniforms, trophies, etc.). Interested graduates may contact the City Office and attend a KHSAA organizational meeting on Wed., February 16, 2011, at 7:00 P.M., in the Kennedy Center cafeteria. Prior to the organizational meeting, some ideas to give thought to include the following:

- * The Kennedy Center will have a large room available as of Spring, 2011, but will have to charge the going rate for the room to meet building expenses. Can KHSAA generate enough support with \$5, \$10, \$20, \$??? annual membership fees to cover the cost of the room?
- * There will be mailing, printing, and some minor costs associated with exhibit materials. Can membership fees cover these additional expenses?
- * Should KHSAA endeavor to have representatives from as many decades as possible?
- * If you don't preserve your school's history, who will?

Odds and ends...
