2012 Daffodil Days March 10 through 16

Daffodil Days is one of the American Cancer Society's oldest and most beloved fundraising programs. As one of the first flowers of spring, the daffodil is a symbol of hope. To the American Cancer Society, the daffodil represents the hope we share for a future where cancer is no longer a life-threatening disease. Each spring, daffodils are offered to donors in appreciation of their contributions. When donors share daffodils with people touched by cancer, they share a message of hope while raising funds and awareness to help defeat the disease.

Cancer is a top health concern among Americans—1 in every 2 men and 1 in every 3 women is at risk of developing cancer. With a donation to the Daffodil Days program, you're helping save lives. Donors, with the American Cancer Society, are helping people get well, stay well, find a cure, and fight back against a disease that has taken too much from so many.

During the past 14 years, Daffodil Days has raised more than \$240 million in gross revenue to support the American Cancer's lifesaving mission. Won't you join the fight? Stop by Kennedy's Citizen's State Bank to purchase daffodils or attend our March 10 fundraising event at the Kennedy Café & VFW.

**The above information has been provided by the ACS.*

ON SNOW DAYS— NO PARKING ON CITY STREETS!

There are a few Kennedy residents forgetting to keep their vehicles off city streets during or immediately following a snowfall. Obstructions on city streets makes street cleaning difficult and results in areas around town with snow remaining on the street, creating difficult driving and walking conditions for others. Please be considerate of your neighbors and fellow residents by moving all vehicles off city streets on snow days, so the city plow can clean the streets.

Also, please **DO NOT SHOVEL YOUR SNOW ONTO CITY STREETS**, but rather onto your own property.

The City thanks you for your help and cooperation in these matters.
