Consider Making a Year-End Donation to the Senior Center

The Kennedy Donaldson Senior Citizens organization was founded in 1975. In the 37 years that have followed, the center has served as a social meeting place, as well as a location for nutritional meals and health and safety services.

The Kennedy City Council is committed to keeping the center present in our community for years to come and is working on new ideas and programs to accomplish this goal. As we take some time to formulate our plan and recruit some help, **we are asking for your help.**

The center is currently in need of some operating funds for the short term. **Won't you please consider making a donation prior to year's end?** Do it in memory of the many great people that came before us and built our community. Do it as a thank-you to senior citizens that are with us today. Do it in the spirit of Christmas.

You may make your checks **payable to the Kennedy Donaldson Senior Center** and include it with your water bill. We will pass it on.

GARBAGE BAGS are available at the city office, the city shop and the senior center.

THANK YOU to Chris Swenson for the donation of his time and assistance in putting up the city's Christmas lights!
