Welcome to Kennedy

The City of Kennedy would like to extend a warm welcome to our new residents.

Welcome to George Bliven, renting the home located at 401 West Manila Avenue, Bruce Eschler's former home. George is employed at Northstar Agri Industries and is originally from Grafton.

We also welcome Brent, Barb, Carson and Billy Thorsteinson. The Thorsteinsons have recently moved into Brent's mother's former home at 398 West 5th Street but have been long-time familiar faces around Kennedy.
